MUSIC AT THE MUSEUM

League City Folk Association - Fri. March 25 - 7pm to 10pm

As posted in previous newsletter, the LCHS is excited to announce the new music events that will begin spring of 2022. On Friday from 7pm to 10pm (March 25th), the LCHS would like all of our members to join us for "Music at the Museum". This will be a beautiful event as we welcome the League City Folk Association (LCFA) to the stage of the historical Barber Shop and Icehouse in front of the museum at 210 N. Kansas Ave.

Above: Tucker Hart performing on the Ice House stage at League City Night Out.

Tucker and Rachel Hart (4th generation League City residents) have established the new LCFA allowing local artists to share their amazing musical talents with our community. All proceeds and/or donations will go to the LCHS ensuring we continue to preserve the rich history of League City. As you may recall, in the Oct 2021 newsletter, Tucker played for us during the LCHS National Night Out.

This was again a very special event allowing friends and families to come together supporting the LCHS.

(Music At The Museum - continued.)

Please plan to attend the first of many "free" events that will help strengthen all that the League City Historical Society continues to do for our local community. It will be a family focused event as we enjoy the beautiful Texas spring weather with a little acoustic music. Non-members are always welcome as they have the opportunity to understand everything taking place in League City's Historic District.

All you need to do is bring your lawn chair. Thank you!!

Musician, Tucker Hart

Father & son, --Greg Hart and Tucker Hart. They are proud to be 3rd and 4th generation League City residents, .

LCHS VISITS NEWLY RE-OPENED GALVESTON COUNTY MUSEUM

Made a trip to Galveston today to go visit the newly re-opened [Galveston County Museum](#) and wow were we impressed! The Museum Director Jodi led us through the amazing artifacts and displays and put up with us asking a million questions about EVERYTHING. There is something for everyone at this museum: military history, archeological finds, 1900 Storm documents, the seawall and raising the island, architecture, Mardi Gras, and vintage Galveston. Would highly recommend a visit to this local gem!

Pictured above is our group of Officers, Directors, spouses and/or friends who recently received a special tour of the newly reopened Galveston County Museum. More pictures on next page!!!
